

CWE PTA presents

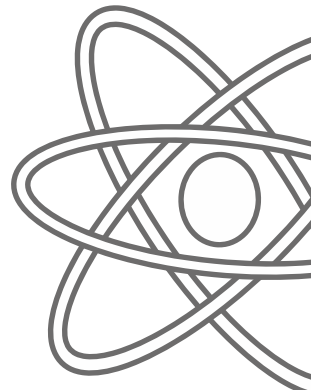

AN AFTER-SCHOOL SCIENCE SHOW!

APRIL 26TH, 2:50-3:50 PM, \$20/CHILD

If your child digs science with a hint of magic, this is a show for them. Kids can join Mike Davis, CWE parent and Science Professor, for an over-the-top fun science demonstration after school on Friday, April 26th!

This show has a number of experiments that showcase simple concepts like physical vs. chemical changes, acids and bases, safety, and air pressure. In short, things bubble, foam, change color, glow in the dark, implode and (safely) explode! For a more details, visit Mr. Davis' web site at:

Print, complete, and return this form to school; please include \$20 cash or check payable to CWE PTA. Space is limited to 40; first come, first served.

After 40 students have been registered, registration will be closed and a notice posted at cypresswoodspata.com. Any registration forms & fees received after this time will be returned. Participants must be enrolled in the YMCA after-school program or picked up at 3:50PM on April 26th.
